

Curriculum Vitae of Daniele Volo

INFORMATIONS PERSONNELLES

Nationality	Italian
Date of birth	04 July 1980
Sex	Male
Address	via Lepanto 37/C - Lido di Venezia - ITALY
Mobile number	+39 - 3471130446
E-Mail	daniele.volo@gmail.com
Web Site	www.danielevolo.com
Driving licence	Category A, B; Boating license

WORK EXPERIENCE

Date - Place	June 2016 - today - Venezia - ITALY
Job - Sector	Architect - Architecture and Construction
Employer's	One Works S.p.a. - www.one-works.com
Activities	Design, BIM Modeling, CAD/BIM Management (Riyadh Metro: Western St., Doha RLNU Metro, Venice Marco Polo Airport Passenger Terminal, Al Bayt Stadium - Al Khor City - Doha)
Date - Place	November 2012 - today - Venezia - ITALY
Job - Sector	Architect - Architecture and Construction
Employer's	Private Practice
Activities	3D Render, CAD drawings, architectural design, architectural surveys, energy certificates.
Date - Place	October 2014 - Bizerte - TUNISIA / Verona - ITALY
Job - Sector	Lab Technician for building materials - Constructions
Employer's	Veneta Engineering s.r.l. - www.venetaengineering.it
Activities	Tech in charge for underwater thickness measurement on steel structures on Bizerte Harbour.
Date - Place	December 2013 - March 2014 - Longarone, Belluno - ITALY
Job - Sector	Instructor - Training
Employer's	Certottica S.c.r.l. - Italian Institute for the Certification of optical products - www.certottica.it
Activities	Teaching on CAD drawing and Render; project financed by European Social Fund (ESF) "Lean Org".
Date - Place	July 2012 - November 2012 - Mestre, Venezia - ITALY
Job - Sector	Architect - Architecture and Civil engineering
Employer's	Bolina Ingegneria s.r.l. - www.bolinaingegneria.com
Activities	Detail design for italian highway "Pedemontana Lombarda".
Date - Place	October 2010 - June 2012 - Venezia - ITALY
Job - Sector	Architect - Architecture and Construction
Employer's	Architect Alberto Gallo
Activities	Architectural design (all phases), works supervision, architectural surveys.
Date - Place	May 2009 - February 2012 - Venezia / Verona - ITALY
Job - Sector	Lab Technician for building materials - Constructions
Employer's	Veneta Engineering s.r.l. - www.venetaengineering.it
Activities	Tech in charge for NDT (Nondestructive testing) and on site test for MOSE project.

EDUCATION AND TRAINING

Date	October 2016 - March 2017
Qualification	Autodesk Certified Professional: Revit Architecture - Course and examination
Sector	Architectural and BIM design with Autodesk Revit
Institution - Place	AM4 - www.am4.it - Lecco - ITALY
Date	July 2013 - February 2014
Qualification	Learn V-Ray - Online Course
Sector	Photography and Render with V-Ray for 3ds max
Institution - Place	CGworld - www.cgworldgroup.com - Las Vegas, Nevada - USA
Date	24 January 2012
Qualification	Qualification to "Practise as Architect"
Institution - Place	Università IUAV de Venezia - Venezia - ITALY
Date	30 March 2009
Qualification	Master degree Architecture
Sector	Degree thesis: "A new gate to the Great Wall - A pedestrian bridge near the Great Wall of Beijing". (thesis partially in English language)
Achievement	110/110
Institution - Place	Università IUAV di Venezia, College of Architecture - Venezia - ITALY

Date	April 2008
Sector	Study Trip at the invitation of University of Tennessee, Knoxville, USA, annual conference of ASCE students (American Society of Civil Engineers)
Institution - Place	Université de Central Floride — Orlando, Florida - USA
Date	January 2008
Sector	Team Member of Università IUAV di Venezia, at 5th edition of IUICEC (Inter-University Invitational Civil Engineering Competition)
Achievement	Prize "Outstanding Innovation"
Institution - Place	Tongji University — Shanghai - CHINE
Date	April - May 2007
Qualification	Survey Technician
Sector	Digital techniques for survey and drawing. (Lidars, Programmes informatique CAO 2D e 3D) - Cours by European Social Fund (ESF)
Institution - Place	Università IUAV di Venezia — Venezia - ITALY

PUBLICATIONS

Date - Publisher	March 2009 – Università IUAV di Venezia.
Publication - Title	Degree thesis – "A new gate to the Great Wall - Una passerella pedonale vicino alla Grande Muraglia cinese di Beijing"
Date - Publisher	February 2009 – AD Architectural Design vol. 79 n. 1 Jan/Feb 2009 p. 84, John Wiley & Sons ed.
Publication - Title	Photography – "Theoretical Meltdown"
